COURSES

The preeminent mobile
compatible, learning
platform focused
on insurance fraud
and crime training
education.

NICTA is an online resource that delivers training and resources for insurance personnel and law enforcement through online course-ware using rich media to enhance a user's training experience.

Integration

Ask about integrating NICTA courses within your learning management system (LMS). Contact Learning@nicb.org today!

NICTA BENEFITS

Self-Study Courses

Over 100 educational assets, many approved for CEs in select states.

Virtual FraudSmart®

Interactive sessions are facilitated twice a day, two days a week by an NICB regional facilitator.

Customizable Dashboard

Individualized dashboard for reviewing, tracking, and completion of assignments.

Reporting Capabilities

Admins can create reports on any criteria needed. Reports can be scheduled, reducing the time to access and create new ones.

Internal Administration

Internal administrator access includes:

- Create custom curricula by role or specialty
- Assign courses to staff
- Create reports
- Review staff's activity

Continuing Education (CE) Credit Information

Our courses are approved for continuing education credit in many states. Individuals can easily request CE credit through NICTA, reducing the need for an outside source. NICTA is a centralized location for your CE needs.

Courses are currently approved for Adjuster credit in Arkansas, Delaware, Florida, Georgia, Indiana, Louisiana, Montana, New Hampshire, Oklahoma, Texas, Utah, and Wyoming.

Courses are currently approved for Agent/Producer credit in Georgia, Montana, New Jersey, and Texas.

System Languages

English • Deutsch • Español • Français (Canada) • Français (France) • Italiano • Portuguese

WHY CHOOSE NICTA?

NICTA's robust curriculum, containing over 100 educational assets, encompasses a wide variety of CE producing courses. Our content covers topics related to fraud schemes, detection, and investigation. NICTA's on-demand and virtual webinars assist you in maintaining a consistent, high level of fraud awareness in your claims organization.
